hello emily
9 am is OK - there is no need to delay it for 2 hours. that is exactly why Barak prefers to arrive a day or two prior to the event to get used to the place and athmosphere and be in shape.

,Mrs Barak

Ironically the Nigeria host sent me the details a few minutes ago. Attached is a preliminary itinerary. They have asked if 9AM would work for the speech but I think you said that 11AM would work better. Please advise when you can. I should also have the answers to your earlier questions soon. Please let me know if there is any concern with .speech format or anything else

,Thanks

Emily
